SUPPORTING OUR ONLINE WORSHIP

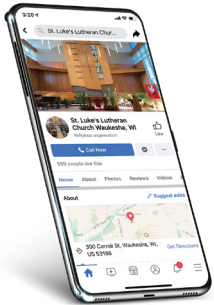

Worship lays at the heart of our ministry at St. Luke's Lutheran Church. We gather weekly for prayer, praise and thanksgiving. As we do, God pours out the Holy Spirit and gives us the gift of faith. In worship, God feeds us.

During this time of pandemic, we learned to worship virtually. Weekend worship moved to Facebook and our website. Now we have the exciting opportunity to expand that ministry!

About 300 households watch our worship services each week, even as others have worshipped in person. Our online worship has become a significant ministry for the church. We expect that to continue in the coming year, perhaps beyond.

Keeping in touch with you and the neighborhood through our website and social media matters. Our online presence helps keep us connected with each other. People of all ages engage with this ministry each week.

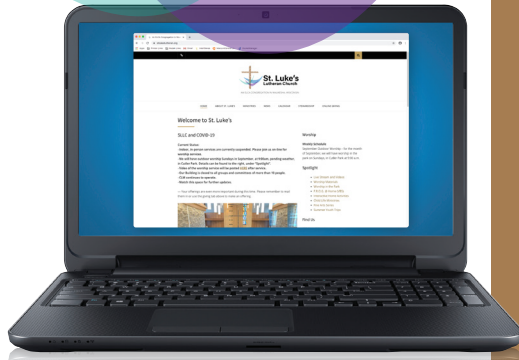

Our online presence reaches beyond our local congregation. People from around the United States have clicked on and watched our worship services. Most of them live in Illinois. Others have watched from Montana, Florida, and Tennessee. Our online worship reaches many.

Investing in our online worship is a critical part of our **Sustaining Ministry Excellence** campaign. We intend to bring on staff a media specialist who can help us sustain this new and growing ministry.

We value the new online worship presence. Now we have the opportunity to expand it and touch even more lives.

The Goal of the **Sustaining Ministry Excellence** stewardship appeal is to increase gifts and offerings by \$67,000 in 2021. Pray for a generous response and places prayerfully consider increasing your gift for the coming year. With your help, we'll not only say we love the work of St. Luke's Lutheran, we'll keep investing in it to make sure that it continues strongly.

SUSTAINING MINISTRY EXCELLENCE: STEWARDSHIP APPEAL 2021

Our gifts and offerings, joined together, accomplish ministry which is blessed by the Lord. Here is a chart which gives a picture of our current giving. As you read this gift chart and find the level of your current offerings, ask yourself these questions:

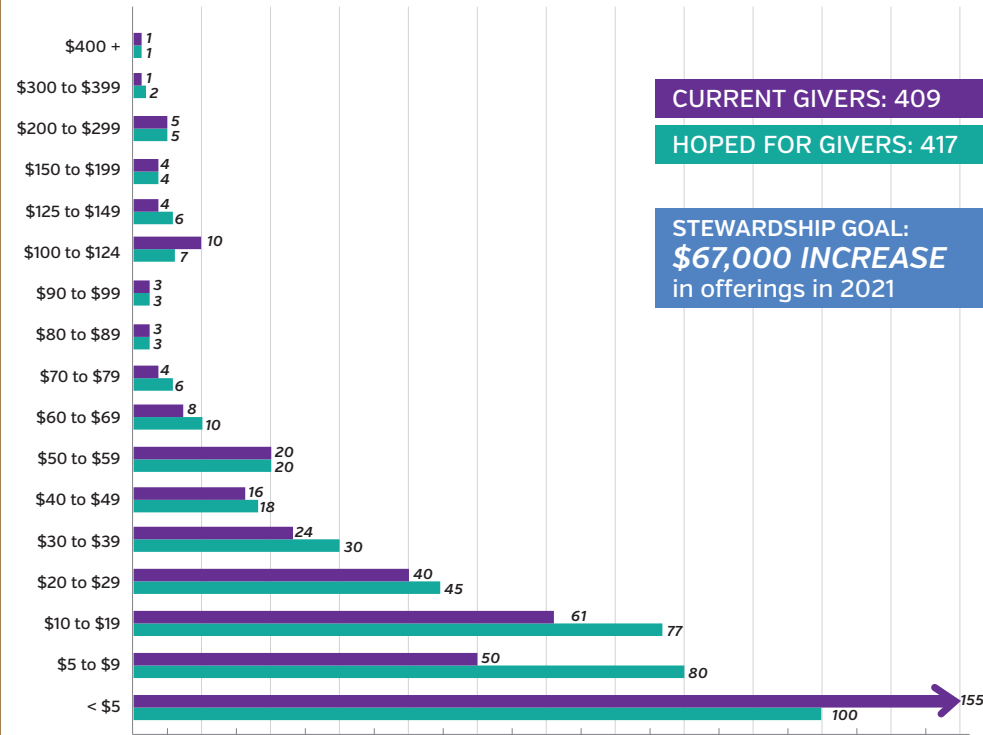

How does my giving level compare with other ways I use my money?

How adequately does my giving reflect my gratitude to God for all the blessings I receive?

Where would I be if I doubled my weekly offering, and can I consider doing that?

How much more could I give if I really wanted to to?
