

Faith Statement

Discipleship Training
2021-2022

Purpose

The purpose of writing a faith statement is to help youth interact with the faith they've been learning. This assignment helps kids think about what is at the core of their beliefs.

Overview

Youth involved in Discipleship Training are involved in a discipleship process that shapes them to think more clearly about what they believe. When youth affirm the covenant God made with them in Holy Baptism, they make public profession of their faith, saying, this is what I believe. Then, they commit to living more deeply in the faith.

Faith statements are to be written by the youth. Parents and youth are encouraged to work together so that, together, they can think about what it means to be a believing Christian. These statements should be declarations of what, at the heart of the faith, matters. Because they are written by each trainee, they will be personal and particular to each trainee.

Instructions

The faith statement is to be a written paper, three pages in length, using Times New Roman font, 12 point, double space, with margins set at 1". It is to have a cover page.
